Washington, D.C. – Rep. Charlie Wilson (OH-6) today voted again for legislation that offers more than \$50 billion in middle-class tax relief and saves 29,636 households in the Sixth Congressional District from paying higher taxes under the Alternative Minimum Tax.

The Alternative Minimum Tax (AMT) was originally designed to ensure very wealthy individuals do not avoid paying income tax. The tax threatened to impact middle-class families and raise taxes on 23 million Americans if Congress had failed to take action.

After casting his vote, Wilson issued the following statement:

“I voted to protect more than 29,000 taxpayers in my district who would have been hit with a tax increase. I will continue to fight for the people in my district so they can hang on to more of their hard-earned money.”
